RoHS COMPLIANCE

Product Description: SOLDER PRODUCTS

The products manufactured by the Torrey S. Crane Co., except for lead in solder, do not contain banned substances and are in compliance with RoHS Directive EU 2015/863, which restricts the use of lead except for very specific applications.

Our products are free of Mercury contamination and, with the exception listed above, do not contain SVHC's per the Reach Regulation.

SINCERELY,

TORREY S. CRANE CO
ROBERT GIRARD
